

Report on community relations programs, objectives and achievements in the past 3 years (ONYEN)

The Company carries out diverse and ongoing community programs. Likewise, we participate in informative activities to create awareness concerning the responsible management processes to be implemented at the Fenix Gold Project.

During 2023, 2024, and 2025, the Company provided community support through the initiatives shown in the table below.

Report on Community relations programs, objectives and achievements in the past 3 years
